

# Civil Process Server Needed in: North Salt Lake County and surrounding area

## We have only 1 contract position available

If qualified, we will sign off for your Utah Private Investigator licensing as an apprentice investigator

Here is what the job entails:

We email you a set of legal documents with a job number. You log-in to our management system to review and print the instruction sheet. You print the complete document package. You deliver (serve) the document package to the subject person or business. Complete an online affidavit. Notify us by email. You get paid.

Job Requirements:

Must communicate clearly and effectively.

Must be 21 or older.

Must have real computer skills.

Must have a car or other real way to get around.

Must be tenacious, flexible and trustworthy.

Ability to serve papers early mornings, evenings and weekends or daytime for businesses.

Must have a clean driving record.

Must have a clear criminal history.

Additionally:

There is a contract to sign with us.

You will be an independent contractor.

All service documents are time sensitive and must be served within 48 hours of your receipt.

All service jobs have very specific instructions that must be followed exactly.

We will provide complete training and instructions.

Headquarters in St. George with offices throughout Utah
